If you're not sure which workshop you need then please get in touch, happy to discuss your needs 😊

Workshops/services available face to face or online through Zoom or Teams.

What is makaton?

Makaton uses signs, speech and symbols to support communication. Its commonly used with children and adults to help with understanding and to give everyone a voice.

How do I learn Makaton?

People who interact with children or adults with communication difficulties learn Makaton through a range of workshops.

Where can I find a workshop?

Get in touch if you want a bespoke workshop for your organisation.

If you're an individual you can either get in touch or book at www.makaton-trainwithjayne.com
