EHC PLAN ANNUAL REVIEWS DECISION FACTSHEET

EHC PLAN ANNUAL REVIEWS

EHC Plans are reviewed every year. This is to make sure:

- The plans accurately describe a child or young person's needs; and
- The right support for them is in place.

The child or young person's school, nursery or college arranges the annual review in most cases. They will ask relevant professionals to attend or send up to date information about the child or young person. After the review meeting, they send a report with recommendations to us (the local authority). They need to do this within two weeks.

IF YOU DISAGREE WITH A DECISION

Please contact us if you disagree with a decision or would like further information. We will do our best to resolve issues. We are happy to discuss things in further detail.

DECISION MAKING

When we receive an annual review report it is considered by our SEND Statutory Assessment and Review Service (SENDSARS). There are three possible outcomes to the annual review process:

- 1) The EHC plan is suitable as it is. (EHC Plan is maintained).
- 2) The EHC plan needs updating. (EHC Plan is amended).
- 3) The EHC plan should be ended as the child or young person no longer needs the specialist support it provides. We consult the young person, family and education provider about this. (EHC Plan ends).

ABOUT MEDIATION

Mediation is an informal way of trying to settle a dispute. It is free of charge. It generally involves a meeting between you, us and an independent mediator who will try and help us all reach agreement. You can bring someone with you if you would like support during the meeting. Other people may also attend, such as someone from your child's school, college or other setting.

* You do not need to speak to us or SSENDIAS before contacting mediation or the SEND Tribunal. But we recommend it as we may be able to help.
