

# 0-5 SEND SUPPORT SERVICE – INCLUSION TEACHERS AND ASSISTANTS

Helping children belong, thrive and learn

## Supporting your child in their early years

We work with children aged 0 - 5 who may need extra help with their learning and development.

Our role is to support the adults around your child – whether they're at home or in an early years setting.

### What we do

- Give practical advice and strategies to help your child belong, thrive and learn.
- Work with practitioners to make activities and routines more inclusive and accessible.
- Offer support with transitions into educational settings.

### Working together

We believe children make the best progress when everyone works as a team. That means:

- Listening to you as parents/carers - you know your child best.
- Working closely with practitioners in your child's setting.
- Linking with other teams that support your child and family.
- Keeping communication clear and supportive.

If you have any questions, please speak to your child's key person or contact your Inclusion Teacher
